EVS

Name different means of transport you can use to go from Arrah to Delhi and paste five means of transport. On A4 sheet paper and label them.

MATHEMATICS

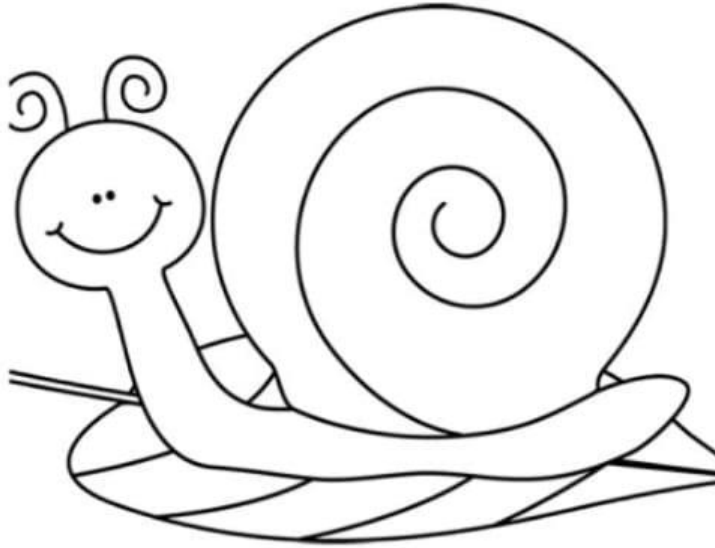

There are five rows in a bus and each row contains five seats. If 47 other passengers are with you in that bus, how many passengers will get seats and how many of them will not get seats?

NOTE:- Solve the problem in A4 sheet paper.

ENGLISH ART INTEGRATED HAND WRITING

Student has to write the story in his /her English handwriting notebook and they also have to draw the picture of the story.

Nala the Snail

Nala is a snail . She likes to come out after it rains . She likes it best when there is no sun and when the ground is moist. Nala has a green body . She has a brown shell with white stripe . She knows that she is slower than a turtle . That doesn't bother her.
