ENGLISH

Complete Assignment Work Book I Page no 11 to 14 and 23 to 26

EVS

Imagine that you are near a river and you are thirsty how can you filter one litre water from the river so that you can drink it.

Note:- you have to paste pictures of Aquatic plants and animals the same chart paper.

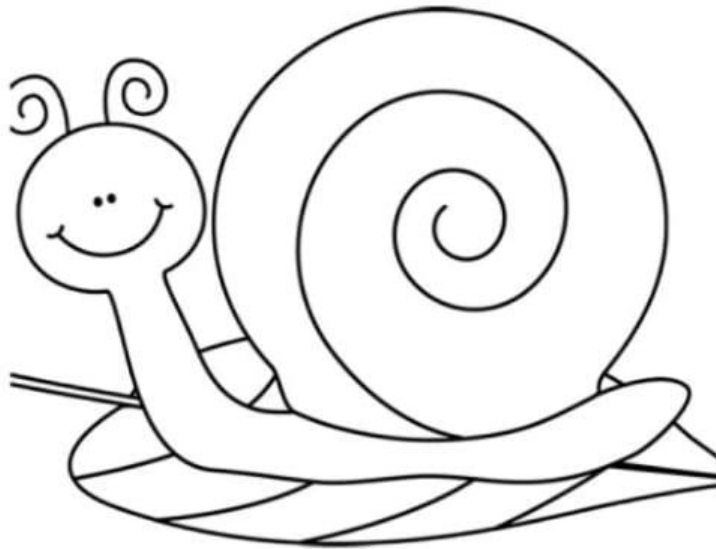

MATHEMATICS

Write how many litre water a camel can drink in one day and write the factor and multiples of that much litre water.

ENGLISH ART INTEGRATED HAND WRITING

Student has to write the story in his /her English handwriting copy and they also have to draw the picture of the story.

Nala the Snail

Nala is a snail . She likes to come out after it rains . She likes it best when there is no sun and when the ground is moist. Nala has a green body . She has a brown shell with white stripe . She knows that she is slower than a turtle . That doesn't bother her.
