On a chart paper compare and contrast the adaptations of Lion and deer which are found in the grassland habitats.

### **ENGLISH ART INTEGRATED HAND WRITING**

Student has to write the story in his /her English handwriting copy and they also have to draw the picture of the story.

# The wolf and the lamb

1

**One day, A lamb was eating sweet grass away from her flock of sheep. She didn't notice a wolf walking nearer to her. When she saw the wolf, she started pleading, "Please, don't eat me. My stomach is full of grass. You can wait a while to make my meat taste much better. The grass in my stomach will be digested quickly if you let me dance." The wolf agreed.**

**While the lamb was dancing, she had a new idea. She said, " I can dance faster if you take my bell and ring it so hard." The wolf took the bell and started to ring so hard. The shepherd heard the sound and ran quickly to save the lamb's life.**
