# ENGAGEMENT

GRADE-III

**This Summer,  
Let's Learn to Go Green With GD Goenka**

**Dear Students!**

**As summer draws near, let's take a moment to marvel at something truly amazing:  
Our Incredible Planet Earth.**

**It's not just a place we call home; it's a precious gift, bursting with life, wonder, and beauty. But like any gift, it needs our love and care to thrive.**

**You might have heard about climate change—it sounds kinda big and scary, right? But really, it's just about our actions affecting the delicate balance of nature.**

**Picture a world where the air is pure, rivers sparkle with life, and forests sway in a gentle breeze. That's the world we dream of—a place where all creatures, big and small, live together in harmony.**

**But to make this dream real, we all need to chip in. It's about the little things, like turning off lights, using less plastic, or planting seeds that'll grow into mighty trees.**

**Together, we've got the power to make a change. Let's dive into this adventure, hand in hand, with hearts full of hope. Because the future of our planet lies in our hands, guided by the love in our hearts.**

**So, my dear Green Goenkan Warriors, let's treat our Earth with kindness and care. Together, we can be the heroes our planet needs, protecting its beauty and securing its future.**

**Every little step we take makes a big difference!**

## Note-

- Students to read any one story each of English and Hindi for the story narration activity scheduled post the summer break.

## ENGLISH

1. Research and Report: Children to research one aspect of climate change or sustainability, such as renewable energy, recycling, or reducing carbon footprint. They can then write a short paragraph (about 100-150 words) with facts they've learned, focusing on improving their sentence formation, spelling, and paragraph writing skills.
2. Spelling Bee: Jot down a list of 25 words related to the environment and sustainability such as "renewable," "pollution," "ecosystem," etc., and memorizes them.

## MATHS

1. Ask your mother how much total amount of money is needed to buy monthly ration. With her help, make a list of some items with their prices and add them to find the estimated monthly expenditure on the necessary items. Is the estimated total more than ₹5,000 or less?

## EVS

Make a diet plan for yourself for a week on a chart paper Include what you will have for breakfast, lunch and dinner. Do not forget to include liquids in your diet. Make sure the diet contains all the nutrients.

## HINDI

1. किन्हीं छह चिड़ियों के नाम लिखकर चित्र बनायें तथा उसमें रंग भरे ।
2. पशु-पक्षियों के साथ हमें कैसा व्यवहार करना चाहिए चित्र सहित वर्णन करें ।
3. पर्यावरण से संबंधित किन्हीं पाँच वस्तुओं के नाम लिखें तथा चित्र चिपकायें /बनायें ।

## ART

Create a paper collage art on summer season...
