**This Summer,  
Let's Learn to Go Green With GD Goenka**

**Dear Students!**

**As summer draws near, let's take a moment to marvel at something truly amazing:  
Our Incredible Planet Earth.**

**It's not just a place we call home; it's a precious gift, bursting with life, wonder, and beauty. But like any gift, it needs our love and care to thrive.**

**You might have heard about climate change—it sounds kinda big and scary, right? But really, it's just about our actions affecting the delicate balance of nature.**

**Picture a world where the air is pure, rivers sparkle with life, and forests sway in a gentle breeze. That's the world we dream of—a place where all creatures, big and small, live together in harmony.**

**But to make this dream real, we all need to chip in. It's about the little things, like turning off lights, using less plastic, or planting seeds that'll grow into mighty trees.**

**Together, we've got the power to make a change. Let's dive into this adventure, hand in hand, with hearts full of hope. Because the future of our planet lies in our hands, guided by the love in our hearts.**

**So, my dear Green Goenkan Warriors, let's treat our Earth with kindness and care. Together, we can be the heroes our planet needs, protecting its beauty and securing its future.**

**Every little step we take makes a big difference!**

## THE FUN QUOTIENT IN STUDIES

'If you cannot do great things, do small things in a great way'

The Fun quotient in studies !

This year's summer assignment for English is based on The Crystal Cave 1. Look at the picture on page 27. Write a short paragraph in your grammar notebook, using your imagination and your knowledge about elephants. Describe the relationship between a baby elephant and its father or mother. Do these gentle giants show protective feelings like humans? Provide your answer in your paragraph. Attach a photocopy of this picture to your notebook, next to the paragraph. If anyone is good at drawing try to draw the picture in the notebook.

2. Divide each A4 sheet into two parts. You are now about to make a set of six GIFT VOUCHERS as a gesture of GRATITUDE. Make a set of six gift vouchers. Use your colored A4 sheets divided into two equal halves. Select a list of six persons in your family and friends whom you want to thank for their contribution in your life. Address each voucher, write a small poem/ quotation/ proverb/ on friendship/ love for parents/ sharing and caring. Address each voucher to the person you are making it for. On the other side mention what you are gifting each person as a deed eg. Laying the table/ cleaning the room/ helping a project etc.

# EVS

1. Project Tiger was a program that began in 1973 in India. Find out what it is and why it was begun. Collect pictures and present them on a chart along with details.
